### **Eternal Impact Promotion**

As DFE works behind the scenes to launch the streaming platform, we invite you to join us by contributing funds to help move us closer to the launch point. Your contribution will help us to create high level original content, license excellent movies, series and shows, bring aboard team members, and pay for the day-to-day operation of Divine Family Entertainment.

Here's what you can expect with the contributions you make to DFE:

1. **One-on-One Interview:** Your \$100 contribution will allow you a 15-minute interview with Tami DeVine, President/CEO of Divine Family Entertainment, and a 30 year veteran of Broadcast Television news and entertainment. Your contribution also makes you eligible to receive the following:
  - a. Sweet Discount: Reduced monthly fee of \$2.99 (Reg \$4.99) for 3 years after DFE launches.
  - b. Beta Tester VIP: Become a Beta Tester for DFE and get the opportunity to give us real feedback that will help shape the story of DFE.
  - c. Early Bird Content: Get exclusive content 1 day before other users for 3 years.
  - d. Stay in the Loop: The latest DFE news & updates delivered straight to your inbox.

If Tami DeVine is not available for any reason including but not limited to sickness, travel or death, your interview may take place with another DFE Team Member. DFE will make every effort to release and run your interview but cannot guarantee that your interview will stream on DFE, DFE's social media or anywhere else, or be released to you to run. Your interview will run or be released at DFE's sole discretion. Here are a few reasons DFE might not run or release your interview (but not limited to these):

- e. the sound or video quality is poor
- f. the interview failed to record
- g. the chosen topic does not align with DFE values
- h. interview content could open the door to litigation against DFE
- i. interview content contains copyrighted material
- j. technical difficulties.

DFE will work to make your interview happen within two weeks after your contribution. But please allow 3 to 6 months in case of unforeseen circumstances. If after 6 months your interview has not been scheduled, contact DFE to reschedule or redeem DFE merchandise in place of the interview.

Divine Family Entertainment is a subscriber-based and advertiser-supported video-on-demand streaming platform. Short, elegant ads will be attached to each piece of digital content on the platform. If advertisers pay to place their ads on your interview, you will receive a portion of the ad revenue.

So tell everyone you know to contact DFE, if they would like to attach a short commercial to your interview. If they need help making the commercial, DFE can work with them to do that. Once they pay to advertise on your interview, you'll receive funds from DFE. DFE will send you a monthly report of the funds your interview has generated (if funds are received) and how much you will receive. DFE will have sole discretion regarding the amount of funds you receive from the advertising revenue.

If you have any questions, or to have your friends and family advertise on your interview, you or they can call 626.365.3741 or [Contact Us](#) (Topic: Impact).

2. **Walk-On Cameo:** Your \$1,000 contribution will hold a walk-on cameo spot for you in a movie, series or show created by DFE or through partner agencies. Your contribution also makes you eligible to receive the one-on-one interview above, along with the following:
  - a. Sweet Discount: Reduced monthly fee of \$2.99 (Reg \$4.99) for 5 years after DFE launches.
  - b. Beta Tester VIP: Become a Beta Tester for DFE and get the opportunity to give us real feedback that will help shape the story of DFE.
  - c. Early Bird Content: Get exclusive content 1 day before other users for 3 years.
  - d. Stay in the Loop: The latest DFE news & updates delivered straight to your inbox.

Your cameo appearance means that your face will be shown clearly in a scene of a DFE movie, series or show or content created through our partners. At DFE's sole discretion, you may be given a scripted line or lines to say in the production. For news or talk shows, we may ask you to record with video your opinion on a certain topic and we may include your response in a segment. While your cameo appearance may be recorded, it is possible that it could be cut during editing for a variety of reasons including, but not limited to:

- a. the sound or video quality is poor
- b. the cameo appearance failed to record
- c. the scene needed to be cut
- d. there was not enough time to include it
- e. technical difficulties

DFE will make every reasonable effort to record, release and run your appearance in a designated production discussed with you ahead of time, but cannot guarantee that it will stream on DFE, DFE's social media, or anywhere else. Your cameo appearance will be recorded, run or be released at DFE's sole discretion. DFE may request you to make a video of yourself on your cell phone or other camera to send to DFE to include in a production. Or DFE may invite you to a set where on-location recording will take place. If DFE is unable to include you in an agreed-upon production, we will make every reasonable effort to include you in a different production, selected at DFE's sole discretion.

DFE will work to make your cameo appearance happen within two years after your contribution. But please allow 3 to 5 years in case of unforeseen circumstances. If after 5 years your cameo appearance has not been scheduled, contact DFE to reschedule or redeem DFE merchandise in place of the appearance.
