

CHURCH DATABASE DETAILS

Once DFE launches, the Church Database will show a list of vetted Local Churches that subscribers can visit in person or online.

FREE LISTING

Find your church name, address, phone and website under country, state and city on the Worship Database page of the Divine Family Entertainment platform (watchdfe.com). Your church will be listed alphabetically and hyperlinked to your website.

LISTING UPGRADES

If you would like more visibility for your church in the Worship Database, DFE offers several Feature Options as a way to upgrade your free listing.
